DOMMELIA

THE MISSIONARY

LESSON SIX · MALE RE-EDUCATION

A handbook for those who carry Her word

I

THE CALLING

Not all service requires tribute. Some of you have given your wealth. Now you will give your voice.

A Missionary is not a passive admirer, scrolling in silence. You are a conduit, a messenger, the means by which Her art and Her vision of the Female Revolution reach those who have not yet been re-educated. Every like, comment and repost is a deliberate extension of Dommelia's will.

This handbook tells you where to go, what to do, and how to conduct yourself in Her name. Read it. Follow it. Spread the gospel of Dommeliaism.

III

THE SACRED ACTS

I BE PRESENT. Follow Her on every platform, LoyalFans included, and turn on notifications, so you are never late to Her word.

II RESPOND SWIFTLY. Like and comment on every new post within the hour. A comment carries more weight than a like, so make it a real one.

III AMPLIFY. Repost Her posts on Twitter/X and share Her Instagram posts to your stories.

IV PRESERVE. Save Her posts. Every save tells the algorithm Her work deserves to be seen.

V TESTIFY. Leave reviews on the clips you have purchased on Clips4Sale, iWantClips and ManyVids. Your words convert the curious.

VI PROCLAIM. Share honest reviews of Her clips on Reddit, in fetish and femdom communities whose rules allow it. Speak of Her by name; a recommendation from a devotee is worth more than any advert.

VII HERALD. Repost the images She has shared freely on Twitter/X, with your own words: praise, a review, or a call to follow Her and buy Her clips. Always tag @GoddessDommelia. Never use paywalled content.

VIII CONVERT. Introduce new devotees to Her work by sharing Her official links and public social media posts. Never Her paywalled content.

IX PROTECT. Guard Her work from theft. Report every leak you find through the official form at dommelia.com/report-a-leak, as set out in The Inquisition.

IV

THE COMMANDMENTS

I THOU SHALT NOT SPAM

Do not flood strangers' comments or messages with Her name. A Missionary persuades; he does not pester.

II THOU SHALT NOT HARASS

Not other creators, not critics, not anyone. Your conduct reflects on Her.

III THOU SHALT KEEP IT CLEAN IN PUBLIC

No explicit images or comments on Instagram, YouTube or any mainstream platform. An account banned is a voice lost.

IV THOU SHALT NEVER LEAK HER PAYWALLED CONTENT

Never share Her paywalled clips, images or files, anywhere. Leaking is theft, not devotion. Share Her official links and public social media posts, never anything from behind a paywall.

V THOU SHALT NOT PRY

Do not speculate about, seek out or share anything about Her private life. Dommelia is the art. That is all you need to know.

VI THOU SHALT USE ONLY OFFICIAL LINKS

Every genuine link lives on dommelia.com. Anything else is false idolatry.

VII THOU SHALT PROTECT AND SERVE

Report every leak you find. When others speak against Her, defend Her name with conviction and dignity: with reason, never with abuse.

V

THE INQUISITION

Her work is stolen and scattered across the internet. You will help reclaim it.

Every leaked clip is reparations unpaid. When you find Her content on a free or pirate site, do not watch it, download it or share it. Report it.

I COPY THE EXACT LINK to the page where Her content appears, not just the website's homepage.

II NOTE THE CLIP TITLE, if you know it.

III REPORT IT TO HER through the official form at dommelia.com/report-a-leak. One link per submission; it takes thirty seconds.

IV FLAG IT ON THE SITE using its own report button, if it has one, as stolen or unauthorised content.

Do not file copyright claims yourself, and do not confront the uploader. Only Dommelia and Her appointed agents may issue takedowns. Your duty is to find, report, and move on.

VI

THE MISSIONARY'S OATH

I pledge my voice, my reach and my devotion to Dommelia.

I will carry Her word with pride and discipline.

I will amplify Her, and never embarrass Her.

I will protect Her work and defend Her name.

I will spread Dommeliaism to all who are ready to receive it.

IN HER NAME, I SERVE.

Your voice spreads Her word. Your wealth builds Her empire.
